Dear Parents and Guardians,

We would like to take the opportunity to welcome both you and your child to our fifth-grade team. We are looking forward to helping your child have a successful fifth-grade year, filled with many exciting things.

Our team is a four-member team in which students rotate among their classes, with the exception of activity classes. Ms. Leslie is the reading teacher, Mrs. Neff is the math teacher, Mrs. Davis is our science teacher, and Mrs. Sieber is our language/writing teacher.

Each student will also attend an activity class each day which include P.E., music, health, library, and computer.

If you at anytime have any questions or concerns, we encourage you to contact us via phone or email.

Things to Know

A newsletter will be sent home with each student at the beginning of every week. The newsletter will include topics that will be introduced for each subject and important dates/information. Homework will be assigned at each teacher's discretion. It is the student's responsibility to keep up with his/her assignments.
