“Committed to Academic Excellence”

August 2017

Principal Corner

Welcome back! For our new school family members, my name is Mrs. Jenkins and I am the school’s principal. My two main duties are 1) to ensure that our students, faculty, and staff are safe 2) the students are learning. Our vision at South Hancock Elementary follows:

S.H.E. is **Committed to Academic Excellence** where all students will learn!

In an effort to meet our visionary goal we focus on the Mississippi Career and College Readiness Standards. The teachers and administration have selected resources that are aligned to these standards and are age appropriate. Communication is the key to a successful school year. Our school has many ways to communicate with our families including: a monthly school newsletter/calendar, classroom newsletters, school website (<http://she.hancockschools.net/>), PTO face book page and AIM call out system. It is extremely important to keep the school updated with current phone numbers and addresses.

We are anticipating a great school year where wonderful memories will be made.

Mrs. Jenkins
