“Committed to Academic Excellence”

September 2017

Note from Mrs. Jenkins

With our continued vision of “**Committed to Academic Excellence**”, the first month of the school year has been very smooth and “learning” is in the air.

I would like to thank you for getting your children to school on time. **Tardiness** can lead to loss of instructional time and failing grades.

Kindergarten students just completed taking the **MKAS 2** reading assessment in the computer lab. This is the pre-test and the post test will be given at the end of the school year. The MKAS 2 will provide the end of the year student growth for reading.

The **NWEA** assessment was given to all K-5 students, the first week of school. NWEA is the progress monitoring instrument that is given in the Fall, Winter, and Spring. This data is used to track the growth and interventional needs for each student.

Best Regards,
Mrs. Jenkins
